

Leader Guide

Student & Parent Orientation

Date: September 9, 2020

Big Idea: This year is going to be different, yes, but God is with us!

Guide Pro Tips

1. Three different types of nights: Large Group Night led by Anne or Vicar Matt, Worship Watch (where we get our Worship notes done) and Small group nights.
2. The School of Love Lessons will be supplemented.
3. Being on Zoom as a large class really works for like 30 minutes.
4. Small Group Time should be on zoom as well.

Agenda

1. Blessing
2. Large Group Nights
3. Worship Watch Nights
4. Small Group Nights
5. Where to find everything (for confirmation)!

Welcome & Blessing

Anne will welcome everyone to the zoom, briefly discuss the agenda and get us rolling on our first activity: the blessing.

- From the swag bag: the bookmark & the tealight.
- From home: a pen.
- Light (turn on) your tealight.
- On one side of your bookmark, parents/guardians, write a prayer or a blessing or a hope for this year for your student.
- Once the adults are done, students, on the other side of the bookmark, write a prayer or a hope you have for this year.
- Pastor Pam will lead us through the Blessing for this year.
